ABOUT US:

MiC Talent Solutions, Inc. provides information technology (IT) and cybersecurity recruiting, direct hire, augmented staff, and professional service contracting solutions for organizations searching for minority, women, and non-binary talent.

DIFFERENTIATORS:

We are solving the talent gap that exists in the IT and cybersecurity profession by developing and providing our clients with talent sourced from historically underrepresented groups.

Our focus on talent and cyber workforce development allows us to develop our talent by providing them additional access to technical training, tutors, mentors, coaches, and leadership development, ensuring their continued professional success.

Our combination of seasoned and entry level talent allow us to service our clients at all levels.

CORE COMPETENCIES:

- Executive Search
- Recruitment & Direct Hire
- Contracting Solutions
- Professional Services
- DOL Registered Apprenticeship Program (RAP)

PAST PERFORMANCE:

We work with our partners to provide them with talented IT and cybersecurity professionals at all levels.

We have placed entry and executive level talent in multiple industries.
